

MATCH REPORT

Date of Match 27/01/2017	Sport and Opponents Netball vs Holme Grange	Team U9B
Result WON 9-1	Coached by Mrs Robertson	
<p>As you can see from the score it was a big win for the U9B team. The girls worked hard from the start and played so well that I had to move them out of position to give Holme Grange a chance. All the girls made nice passes and marked their opposition well. It's always nice to win but we have a tough game this week so we have to keep focused and train hard.</p> <p>Captain: Calista Walker Player of the Match: Jessica Clayton</p>
