

MATCH REPORT

Date of Match Friday 27th January	Sport and Opponents Netball V Holme Grange (A)	Team U9C
Result Won 8 - 2	Coached by Mrs. J. Fricker	
<p>St. Piran's played very well against Holme Grange. The girls moved into space and their passes were well considered and accurate. Lucy Hallett (GA) and Renee Mellor were able to interchange in our attacking circle and most attempts at shooting were successful. By half time Lucy had scored 5 goals and Renee, 2. Holme Grange did struggle to keep possession and did not score. Being 7-0 up at half time we did not want to dishearten the opposition and therefore we took the opportunity to change around our positions. This was a good learning experience and we still managed to retain most possession. We only scored one more goal. The changes highlighted that we are playing the girls in positions most suited to their abilities. St. Piran's girls were mature in their approach to this match and worked well as a team.</p> <p>Captain: Renee Mellor Girl of the Game: Lucy Hallett</p>
