

MATCH REPORT

Date of Match: 27.1.17	Sport and Opponents: Rugby v Lambrook	Team: U8A
Result: Drew 5-5	Coached by: Mr. Dale	
<p>Despite a change in the format of the game from a tag to a two hand touch for a tackle, the boys adapted well.</p> <p>St. Piran's had the better of the first half and then started slowly at the start of the second allowing Lambrook to come back into the game. However the boys picked themselves up and replied with some good tries.</p> <p>Our defensive play was good but we were just lacking in attack. Our support of the runner with ball was not as good as last week as we were either too close or receiving the ball standing still. This, at times, forced us to run across the pitch rather than forward leading to unforced errors. An adaption of the rules and the cold, wet muddy conditions may have been a cause of this. A game we should have won if we had not made too many of these unforced errors in attack, but well done.</p> <p>Mr. Dale</p>
