<p>Our boys played well against a team who had one or two boys that were very clued up and extremely quick. We started well, but need to work on our passing as we gave the ball away far too easily with bad passes. Also we need to work on our positional line and de tagging (tackle) the opponent. Good effort by all, as the boys never gave up and worked really hard. Need to really concentrate for the whole game and listen really hard.</p> <p>Well done boys! Man of the match: Daniel Da Rocha</p>
