

# ST PIRAN'S

Inspiring Confidence

## MATCH REPORT

Date of Match: Friday 27 <sup>th</sup> January	Sport and Opponents: Rugby vs Lambrook	Team: U9 C
Result: Won 15-8	Coached by: Mr L Smith	

This was a thrilling encounter between two sides that displayed terrific ball handling skills in tough conditions. St Piran's established early dominance and scored tries at regular intervals to ensure victory would be theirs; it was particularly pleasing to see each boy score at least one try during the match. Whilst the boys' commitment to tackling could not be doubted, at times their technique could have been better. We will look to practice this skill set over the coming weeks. Overall, the boys should be extremely proud of their efforts in what was strong performance.
