

MATCH REPORT

Date of Match 27/01/2018	Sport and Opponents BSGA Gymnastics	Team U11 Boys/Girls/Mixed
Result Boys 2nd Mixed 3rd Girls 5th	Coached by Mrs Holmes	
<p>On Sunday we took 15 boys and girls to the U11 BSGA regional gymnastics competition. This competition consisted of voluntary floor and vault. All the children were really excited and a little bit nervous about competing. This can be expected as a lot of the children were competing up in age groups some were only 7/8yrs old. All the children did really well in both disciplines and recorded some scores that they should be thrilled with. Their floor routines were good and they all managed to complete them successfully.</p> <p>Overall the boys' team did the best coming second and narrowly missing out on qualifying for the national finals. The mixed team came third in a very close competition only missing second by less than 1 point. In the girls' competition it was even closer and we came 5th. However we were 0.1 away from 4th and just one mark from third.</p> <p>All the children should be thrilled with how they did and I also want to highlight their behaviour as they were a credit to the school.</p> <p>Well done.</p>
