

MATCH REPORT

Date of Match 27/01/2018	Sport and Opponents Netball vs St Georges Ascot	Team U10A
Result Won 3 Lost 2		Coached by Mrs Holmes & Mrs Togwell
<p>The girls were very excited about their first netball tournament of the season against at St George's Ascot.</p> <p>They had warmed up very nicely and the shooting was looking good. Our first match was against Highfield, we started very strong and gained control of the game. The passing up from defence was good and shoots were going in. Our next group match was against Hall Grove we knew this would be close. We managed to make numerous interceptions, however we couldn't convert these into goals. At half time we should have had a comfortable lead but unfortunately due to missing shoots we only led by 1. It was a very nail-biting second half and it was a great shoot from far out that won us the game in the last few seconds. On to our final group match against Godstowe again we started strong and gained possession of the ball but just couldn't convert into goals. It was a very equal match but unfortunately we missed too many shoots resulting in us losing 2-1.</p> <p>This then meant that ourselves, Hall Grove and Godstowe were all equal on points so it then went on goal difference. Unfortunately due to the lack of goals this put us in 3rd position. This then meant we were playing for 5th and 6th.</p> <p>We then played Maltmans Green and we played the best we had all day, movement was great and shoots were going in so we won convincingly. Our final match of the day was against High March, in this game we seemed to have switched off and struggled to link play together. We lost this game by one goal.</p> <p>Overall not the result we were hoping for, however lots was learnt and I was pleased with how the girls played.</p> <p>Well done.</p>
