<p>The girls played 2 matches.</p> <p>The first one against Chesham's C team. St. Piran's were strong and kept the ball in our attacking third for most of the match. Trixie Lamb (G.S) was on form and scored all 4 goals. Chesham only ventures into their circle a couple of times and the shooters missed their shots. Once again, the girls were linking their passes together nicely and our attacking phases were proficient. It was a convincing win. We then played against the 'D' Team and I decided at the outset to change our team around to play less familiar positions, so as to provide a more balanced match. Their 'D' team shooters were more accurate and we were 2 goals down at half time. The girls persisted and thanks to Ruby Agar (G.A) who scored 2 goals, the match ended in a draw – with both teams happy!</p> <p>Well done girls – lovely manners and lovely netball!</p> <p>Captain: Nikita Johnson Girl of the Game: Ruby Agar Coach's Player: Trixie Lamb</p>
