<p>We bowled first and gave a very good performance, taking 7 wickets in total, against a very good batting side that were intent on running quick singles (difficult as we were a man down in the field) but could also hit hard too. Bradley took 3 wickets for 24 runs, Tom S took 2 wickets for 13 runs and Charlie and Reuben both took 1 wicket for 7 runs. Jack kept wicket for us, in the absence of our regular keeper, and did an admirable job.</p> <p>We gave a good performance in the batting and made runs where we could, although some very tight bowling from Crosfields made it difficult for us to get up a head of steam. Despite a spirited performance we just weren't able to catch the opposition total and finished down by 20 runs.</p> <p>A very competitive game to finish the season, with a performance the boys should be proud of. Well done!</p> <p>Team: Paddy G, Thomas J, Dilsher B, Charlie D, Zac L, Reuben H-C, Tom S, Jack W, Bradley R</p>
