

MATCH REPORT

Date of Match: Friday 29.9.17	Sport and Opponents: Football vs Lambrook	Team: U8 Blue Team
Result: Won 5-2	Coached by: Mr M Dale	
<p>This was a pleasing and entertaining first performance against a good Lambrook team. Both teams tried to play football. St. Piran's used the space well, trying to control the ball and then pass to team mates. It was good to see the work rate of the boys especially when they lost the ball and overall it was a good team effort.</p> <p>The team were 3-1 up at half time and then Lambrook started the second half bright and made a slight comeback making the score 3-2. Rather than having a negative effect on the team this seemed to kick our boys into another gear. We re-grouped and we went on to score 2 more goals.</p> <p>One thing we must improve is to focus that little bit more when defending. We must not all try to rush forward, opening ourselves up for a counter attack and watch the players around us, not leaving the opposition in space unmarked.</p> <p>A thank you to all the parents from both teams who came along to support.</p> <p>Well done.</p> <p>Mr. Dale</p> <p>U8 Blue Team – B.Wilkinson, T.
