MATCH REPORT

Date of Match: Friday 29 th September 2017	Sport and Opponents: Football v Lambrook	Team: U8 Red
Result: Lost 1-0	Coached by: Mr Robinson	
<p>This was an incredibly good game of football to start the season and the result showed how close it was, although taking in to account the number of attempts on goal, we could have come away with a win.</p> <p>The boys played very well, passing quite accurately and tackling well in defence; however, Lambrook were far more disciplined with keeping their positions on the field. Many times we found defenders up front and the centre forward nowhere near their goal, which meant we made it hard work for ourselves to put together meaningful attacks, at times.</p> <p>Well done, boys; a great effort for the first game. Plenty to work on in training, but lots of promise!</p>
