

## MATCH REPORT

Date of Match: Friday 29.9.17	Sport and Opponents: Football vs Lambrook	Team: U9 Yellow
Result: Lost 6-0	Coached by: Mrs Cartwright	
<p>Despite the score, this was a positive game for the U9 Yellow team, as they have walked away with areas to work on and many positives. Lambrook had a strong side with some boys who were very confident at taking the ball to goal. This caused some problems for us as we tended to overcommit our defence, leaving our Goal Keeper isolated, leading to their goals. The play up the pitch was actually very even as St Piran's worked hard as a team to clear the ball and move it up the pitch, which was improvement from the start of the game where we kept going backwards!</p> <p>All of the boys made positive contributions to the game and showed resilience when they could have easily switched off and given up. Much to work on but a positive experience.</p>
