MATCH REPORT

Date of Match: Friday 30th June	Sport and Opponents: Cricket vs Papplewick	Team: U8A
Result: Lost by 44 runs	Coached by: Mr M Smith	
<p>We came up against a really strong team that were simply too good for us. Papplewick had some good bowlers that bowled fast and straight, but we must learn that sometimes we have to block the ball and not place across the line. We did hit the ball wide at times and scored some boundaries but far too many balls were totally missed which meant we could not put any pressure on the fielders.</p> <p>Papplewick batted very well and punished any ball that was short in length. We must also continue to keep concentrating in the field and walking in to create pressure on the batsmen.</p>
