<p>Yes, you are not seeing things! After a countback, it was revealed that we actually won this game, rather than drawing as first thought!</p> <p>We bowled first and this week our ability to not bowl too many wides had a slightly negative impact, as some good batsmen were able to hit hard and score lots of runs off our bowling. This was definitely the best bowling performance of the season but was not reflected in the runs that Papplewick scored.</p> <p>In the batting we gave an excellent performance, generally running well between the wickets and hitting hard to score quite a few boundaries too. We managed to win with one over to spare and finally by 8 runs, after they had been added up properly.</p> <p>Well done, boys; a well deserved unbeaten season!</p> <p>Team: James, Matteo, Woody, Will G, Louis, Cameron, Tom, Jack, Zac, Will A</p>
