Inspiring Confidence

MATCH REPORT

Date of Match: 31 st January 2018	Sport and Opponents: Netball v Lambrook and Eagle House	Team: U10B
Result: Lambrook Drew 2-2 Eagle House Won 5-1	Coached by: Mrs Robertson	
<p>The first match was against Lambrook and it was a tough match against them, as it was freezing cold and the sun was in our eyes for most of the match. However the girls worked hard and tried to get free from their opponents. The girls are passing much better now and we are able to string more passes in a row without giving the ball away. We probably should have won this match, however Lambrook got into their shooting circle twice and scored twice, whereas we had a lot of shots at goal and missed. Fortunately we got a goal in the last minute as it was 2-1 to them up to that point.</p> <p>The second game was against Eagle House and even though the score looks like we thrashed them, it was still an even match on centre court. However our shooters had got their eye in by this stage, we had figured out the line markings and the sun had gone in. So we started to get into our stride more and were able to score lots of goals. It was a tough afternoon to play netball, but the girls did well and showed excellent resilience and perseverance.</p>
