| <p>This was a really exciting and entertaining match played by 2 very equal sides. The pitch was very wet and this meant that there was not a great deal of expansive and open rugby played. I was really happy with the majority of the boys for their effort and application but we must not run into contact with the ball so visibly when it can easily be ripped away.</p> <p>Paddy Grant, James Lucking and Ben Barnard were the try scorers.</p> | | |
