MATCH REPORT

Date of Match: 31.1.18	Sport and Opponents: Rugby vs Papplewick	Team: U11A
Result: Lost 8-5	Coached by: Mr Sampson	
<p>Having drawn with Papplewick before Xmas we were under no illusions about the test we were about to face. A tough and physical challenge, this certainly was and we really needed everyone to be on top form. Some touches of individual brilliance from Elliot (Goose-step) and Jimmy (body swerve) gave us an early lead but Papplewick came back with some direct running. Sadly, losing one of our key players, Alfie, four minutes before half time was a huge blow, and Papplewick got the ball out wide to their fast players which was a stretch too far. Lots to build on though and the desire and commitment of the boys until the final whistle was fantastic to see. 8-5 final score.</p>
