## Gymnastics Years 1-2

17 March 2017

Dear Parents,

I am writing to inform you that next term, the Gymnastics classes that take place on Tuesdays and Fridays will now be group based on abilities. I feel this is the best way forward so that each gymnast will be in a more structured class and working towards to their abilities.

The Friday sessions will be available for the more Advanced Gymnasts. This will be by invitation only, and the children will be given a separate letter to inform parents that their child has been chosen.

The Tuesday sessions will be open to everybody else and these will be focusing more on the basic skills so that later they are able to develop these into more advanced skills.

If for any reason your child has been chosen for the Advanced class and is unable to attend this session, please speak to me and I will try my best to accommodate this for you.

Over the past three years in the school, I have noticed a wide range of abilities among the year groups and, from experience, splitting them into abilities will benefit each individual more than a class of mixed abilities.

I apologise if the changes cause any inconvenience to you.

Kind Regards

**William O'Neill**

Head Coach/Director

Willows School of Gymnastics
