PERMISSION FOR ALL SCHOOL OUTINGS – 2017/18

Dear Parents

To avoid sending permission letters to you for each and every school trip, we ask you on an annual basis to give general permission for your child for the forthcoming academic year. We have always sent out a letter when you join the school to ask your permission to go on trips, but we now follow that up year by year to make sure you are still in agreement.

The slip below needs to be signed and returned and this will be kept readily accessible, so that when any trip is arranged we can check that a generic permission form has been signed. You will of course continue to receive information about trips but there will no longer be the need to return a slip each time.

Please be reassured that we will always comply with statutory guidance on pupil:teacher ratios appropriate to the age groups of children on a given trip, and all risk assessments, pre-visit requirements and other regulations will be adhered to, to the very highest level.

If there are trips for which an additional charge is required, specifically residential trips, there will be much more information given to you and specific forms will need to be signed in those cases.

Thank you for your assistance in this but if you still have any questions please don't hesitate to ask.

Jonathan Carroll
Headmaster
