

ST PIRAN'S

Inspiring Confidence

November 2017

Dear Parent,

Survival and Safety in Swimming – Years 3 & 4

Your child's swimming programme this term will include up to 4 Survival and Safety swimming sessions.

To ensure they gain maximum benefit from this it will be necessary for the children to wear clothes.

The Year 3's will have an introduction to personal survival. The Year 4 children will be taking a formal assessment at the end of the sessions. They will be aiming to achieve the ASA (Amateur Swimming Association) Level 1 Personal Survival Award.

I would be grateful if you could ensure your child brings the clothes listed below to their swimming lessons for 4 weeks. This will be for weeks beginning 6 November; 13 November; 20 November and 27 November.

Kit required: Swimming kit, long sleeved shirt, long sleeved jumper/sweatshirt & trousers (NOT JEANS). Please bring a spare plastic bag to put the wet clothes in after.

The clothes should be in a named plastic bag and should be taken home the same day, not left in the locker until the end of the week.

Please come and see me if you have any queries or concerns.

Many thanks for your support.
