

ST PIRAN'S

Inspiring Confidence

November 2017

Dear Parent,

Survival and Safety in Swimming – Year 5 & 6

Your child's swimming programme this term will include, up to 4 personal survival sessions.

Year 5 will work towards the ASA Level 2 Award and Year 6 will attempt the formal assessment. For any children who did not gain the ASA Level 1 Award in Year 4, will have another opportunity to complete this assessment.

I would be grateful if you could ensure your child brings the clothes listed below to their swimming lessons for 4 weeks. This will be for week beginning 6 November; 13 November; 20 November and 27 November.

Kit required: Swimming kit, long sleeved shirt, long sleeved jumper/sweatshirt & trousers (NOT JEANS). Please bring a spare plastic bag to put the wet clothes in after.

The clothes should be in a named plastic bag and should be taken home the same day, not left in the locker until the end of the week.

Please come and see me if you have any queries or concerns.

Many thanks for your support.

Mrs. A. Burnage
Head of Swimming

Headmaster Mr Jonathan Carroll
